

This architectural section drawing illustrates the structural layout of a building facade. The drawing includes the following details:

- Structural Elements:** Thick black lines represent the primary structural frame, including columns and beams. Thin lines indicate secondary structural members and room partitions.
- Floor Levels:** Elevation markers on the right side indicate floor levels: +58,365 (P15, HUS 1), +55,392 (P14, HUS 1), +52,419 (P13, HUS 1), +49,446 (P12, HUS 1), +46,673 (P11, HUS 1), +43,300 (P10, HUS 1), and +42,200 (ENTRÉ, HUS 1).
- Room Divisions:** The drawing shows a grid of rooms. Rooms on the left are labeled with widths of 2100, 2300, 2300, and 2100. Rooms in the center and right are labeled with widths of 2515 and 3692.
- Roof and Slope:** The roof structure is shown with a 25° slope on the left side.
- Dimensions:** Vertical dimensions of 2748 and 2740 are shown for the left section. Horizontal dimensions of 60,469 are shown for the top section.
- Orientation:** A dashed line indicates the orientation of the section, with a label "SECTION" at the bottom left.

Architectural floor plan of the first floor (HUS 1) of a building. The plan shows a central staircase, several rooms, and a large entrance area. Dimensions are provided for various rooms and sections. Elevation markers on the right indicate heights: +59,00, +58,365, +55,392, +52,419, +49,446, +46,473, +43,300, and +42,200. The entrance is labeled 'ENTRÉ, HUS 1'. The plan also shows a section with a 10° slope and a section with a 60,47° slope.
